HP GREEN ENGINE OIL 15W 40 & 20W 50

CNG Engine Oil

DESCRIPTION

Controlled ash, low phosphorus, superior quality engine oil for engines running on CNG. Specially formulated to meet the requirements of mobile engines running on CNG.

APPLICATIONS AREAS

Heavy vehicles running on CNG.

FEATURES & BENEFITS

- Good control on Oxidation & Nitration
- Exceptional control on Deposits & Wear
- Ensures engine durability

MEETS REQUIREMENTS OF

Cummins CES 20074 & API CF

PHYSICO-CHEMICAL PROPERTIES (TYPICAL)

HP GREEN ENGINE OIL	15W 40	20W 50
Kinematic Viscosity, cSt, @ 100°C	15	19.5
Flash Point °C	200	220
Viscosity Index	120	124
Pour Point °C	-21	-24
Sulphated Ash % Wt	0.54	0.6
TBN mg Koh/gm	4.6	4.9
Colour	Green	Green
